THE SMELTERS HERITAGE ACCOMMODATION

The Smelters Accommodation (c1861) is a State Heritage listed original building directly associated with the Copper Triangle Copper Mining. The home was the Manager's building and Pay Office for the miners - hence Office Beach. Sir Walter Watson Hughes and Sir Thomas Elder have a personal connection to the home. The owners are proudly opening their property to the public during the Kernewek Lowender Copper Coast Cornish Festival between Friday 17th - Sunday 19th May from 10am – 4pm. International Welsh performer Siobhan Owen will be singing and playing harp on Saturday 18th May & Sunday 19th May at various times throughout the day. You won't want to miss a fantastic opportunity to view an historic oceanfront property whilst listening to angelic Celtic music! \*Entry Fee: Gold Coin Donation\*

## LEARN NEW SKILLS AT U3A YP

U3A YP (University of the Third Age Yorke Peninsula) is a voluntary and non-profit organisation. New members are very welcome to attend courses where they can acquire new skills, utilise current skills, whilst enjoying social activities and meeting other members.

There is currently a special registration fee of \$15 from now until 30th June 2019 for anyone who is 50 years and over and either retired or semi retired (not working more than 20 hours a week) and have not been a past member. This entitles the member to attend as many courses as they wish, where vacancies are available.

Courses are offered in a wide range of subjects as requested by the members and are held during school terms. Courses being held in the Copper Coast area include Mahjong (a great brain game) played on 3rd Wednesday each month at Wallaroo

## QUALITY AUTOMOTIVE RESTORATION – A LOCAL BUSINESS SUCCESS STORY

Starting in the industry at the age of thirteen, learning skills plied by artisans long passed, Frank completed post trade courses two nights a week for four years to enable him to teach “Custom Panel Forming” and “Panel Beating” to adults at only twenty three years of age in Croydon, South Australia. He has refined his skills over the years. These days, the Wallaroo workshop has, at any given time, around thirty three classic vehicles including motorcycles, of all marques and employs four Craftsmen and Apprentices, using skills passed down through decades of experience, fabricating replacement body panel sections in house, spray painting the restored bodies to the highest quality, while equipped with specialised machinery, ensuring the best results available today. These beautiful pieces of automotive history are brought back to life, having come from
